

# ICDL Asia Pacific Relocates to Singapore

ICDL Asia Pacific Ltd (ICDLAP) has relocated to Singapore and restructured its team to better serve the growing demand for the ICDL program in the Asia Pacific region. As part of its commitment to furthering the ICDL's reach in the region, ICDLAP is working closely with its local partners in more than fifteen countries, including a close co-operation with ACS in Australia.

## ***New Office***

The new ICDLAP office is located at 10A Ann Siang Hill, between the Central Business District (CBD) and Chinatown in Singapore. The office is equipped with state-of-the-art ICT infrastructure in order to support the ICDL community throughout the region.

## ***Annual Forum***

This year the ICDLAP will host an Annual Forum for the ICDL licencees and partner community. Trudy Turnbull, ICDL Australia's Business Development Manager will attend the event, which will take place in Singapore on Thursday, June 29th and Friday, June 30th. In addition to the ICDLAP Licensees, other partners and guests have also been invited including various ICDL courseware providers, as well as the Digital Skills Manager of British Petroleum (BP) who will discuss the global implementation of the ICDL program at BP.
