

## THE ICDL UNIT LAUNCHES NEW MARKETING COLLATERAL

The ICDL Unit has launched some new collateral, available for use by test centres and learning providers. Shown here is our A2 poster promoting the ICDL as the global standard for ICT Literacy. The Poster also features a white area, where you can overprint or stamp your organisation's contact details.

Additionally, we have produced a DL sized brochure, aimed at end-users. It covers the benefits of ICDL, explains how the program works, details the modules and outlines some success stories, while promoting some fast facts.

If you would like to order some small quantities of the poster or brochure, please email [rachael.bowes@acs.org.au](mailto:rachael.bowes@acs.org.au) or phone (02) 9299 3666. We hope you enjoy their brightness as much as we do!
